No family group has ever approached that of the George Mack family. George himself won the Grand Championship Division five times, was runner-up three times, won the Senior Division three times and was runner-up once and was runner-up in the Super Seniors once. His son, George Jr., won the Grand Championship three times. Daughter Lara won the Women's Championship eight times and was runner-up four times. Daughter Cappy has won two times and was runner up twice and daughter Renee won once and was runner-up once. Winning a total of 21 Championships within the family is a most remarkable performance.
